### FAQ

#### How does the sign-up process work?

A: Visit [www.globaldisposal.com](http://www.globaldisposal.com) and click on the Event Sign-Up link at the top. Search your community name exactly as it is shown on this flyer, and sign-up for the event by listing the items you wish to have removed. Our team will confirm your items and you will be receiving an email confirmation that you are successfully signed up for this event.

#### Is every event free?

A: In the case that your event has any fees associated, it will be listed above the event Description line above. Global Disposal strives to offer free waste events to our customers, however, some events do have a cost associated. Once your sign-up has been confirmed, you will be receiving a phone call from our team to collect payment. You are able to send a check instead, but balances must be paid before 2 days prior to the event in order to participate. Not sure if your event is free? Visit the Events tab on our website to see all event details.

#### What happens if I want to change my items?

A: Please contact our Customer Service Department if you wish to change your items after you have signed-up. ONLY items listed on your sign-up submission will be removed.

#### When should I place my items out for removal?

A: Items must be out before 6:00am the morning of the event.
